The mission of the
Healthcare Businesswomen's Association
is to be the catalyst for the careers of
women in healthcare.

The San Antonio Chapter
was established in 2006. With a vibrant
membership and solid corporate support,
the Chapter offers robust programming,
powerful networking and global connectivity
to professional women and men in
healthcare and the biosciences.

Annual State of the Industry Event “Healthcare Reform: The Ideal, The Practice, The Legislation”

Scientists, executives, entrepreneurs, investors and anyone with a stake in
San Antonio's healthcare and biosciences industries:

You are cordially invited to an engaging evening of
scintillating conversation, powerful networking and insightful speakers.
Top local healthcare leaders will discuss their ongoing efforts
to provide quality care efficiently and effectively and
the impact of the new legislation
on hospitals, private care and specialty care.
